

## WE SUPPORT ROMA STUDENTS TO ACHIEVE SUCCESS IN EDUCATION AND CONTINUITY IN THEIR STUDIES

The educational success of Roma students is possible, as shown by the results of hundreds of young people who pass through our education programmes.

**4 349**  
Students

**3 389**  
Families

**1 034**  
Educational centres

**59**  
locations in 13 regions

PROMOCIONA-T

With *Promociona-T* we prevent absenteeism and early school dropout among Roma students in infant education, primary education and compulsory secondary education and vocational training, and we succeed in improving their curricular level

**2 153**  
students  
**51.6%** female students

**94%** of primary students go on to the next year. **58%** pass all their subjects  
**94%** of final year primary students graduate into secondary education. **51%** pass all their subjects  
**71%** of secondary students go on to the next year. **44%** pass all their subjects.  
**45** students have obtained their Compulsory Secondary Education Certificate

PROMOCIONA

With *Promociona* we support the educational success of Roma students in the final years of primary education (5<sup>o</sup> and 6<sup>o</sup> years) and in compulsory secondary education in order to attain their Compulsory Secondary Education Certificate and access to post-compulsory studies

**1 604**  
students  
**55.5%** female students

**57%** move on from primary education to secondary education with all their subjects passed  
**79%** obtain the Compulsory Secondary Education Certificate (**185** students)  
**95%** access post-compulsory studies

PROMOCIONA +

With *Promociona+* we work to ensure that Roma students enrolled in post-compulsory studies (Intermediate and Advanced Vocational Training, Baccalarate and University Studies) complete their studies and obtain a qualification

**592**  
students  
**59.4%** female students

**91%** continue with their studies  
**74%** with the opportunity to complete their course obtain a qualification. **138** students

P. DIGITAL

With *Promociona Digital* we incorporate innovation in all our educational programmes to foster equality and reduce the digital divide
